

GOD'S IMAGE

Then God said, "Let us make man in our image, in our likeness... So God created man in His own image, in the image of God he created Him; male and female He created them.

-Gen. 1:26-27

DEVOTION:

It is a biblical truth that humans are created in the image and likeness of God. Therefore, we have to be positive about ourselves. Whatever we or others think about ourselves, God's image and likeness can never be erased from us.

There are certain things we need to remember about being created in God's image. Firstly, we should look at other people as God's people. There is no way in which we can claim this privilege only for ourselves. When we look at others, we should see another child of God.

Secondly, we need to remember that we cannot be passive when we see the image of God in others. To be created in God's image means that we must actively protect other people. God is love and love is the only way to protect the honor and dignity of others.

To be created in God's image carries with it the responsibility to live out God's love for those around us.
